GAMES

FREE PLAY TEAM BATTLE

- Split the group into two teams.
- Each team kits up and goes to their side of the battle field.
- On the coaches whistle the teams battle. Players must not cross no mans land.
- If a player is eliminated they may reset their laser tag gun.

Continuous play getting used to the game. Encourage players to move regularly between bunkers and make the game fun!

FINAL BATTLE

- Same as above but if a player is hit, they are off for 60-90 seconds to reload and re-spawn.
- The team with the most players in the game at the end of the time limit wins.

INFECTED

- One player starts as a green light laser tag gun and as a zombie!
- The rest of the players start as blues.
- Players can move anywhere on the battlefield.
- If a player is eliminated, they go to the re-spawn area and reset their Laser Gun to the green team and become a zombie. When the time limit is up and survivors are the winners!

FAST DRAW FINALE

- The birthday child stands back to back with the coach. The draw word is Banana's.
- Every time the coach says a word like 'ball', blast, baker, the player and the coach take a step away from each other. Still facing away from each other.
- When the coach calls 'Banana's', they both turn and fire (allow the birthday child to win by registering a shot first on the coaches weapon.

ZOMBIE APOCALYPSE

- Split the battle field into a firing zone at one end and have the rest of the area full of bunkers to hid behind.
- The firing zone also needs a wall of bunkers.
- Start with one or two players in the firing zone. The rest of the players start on the battle field and try to survive the attack of the zombies!
- If the players are hit by the zombies they turn into a zombie and join the zombies team.
- At the end of the time limit if you survive you win the game and save the world!
- Players can only hide behind one bit of equipment for 30 seconds before moving. (Encourage players to move!)
